Culture

The Mont Saint-Michel

Worder of the world!

Mont Saint-Michel is a wonder and masterpiece of Western architecture, built more than 1,300 year ago. A UNESCO natural and cultural heritage site, Mont Saint-Michel is one of the 8 Wonders of the World.

The Mont Saint-Michel

1,300 years of history!

Mont Saint-Michel was **the spiritual center of the Western world** from the 8th to the 16th century, during which period some of the greatest pilgrimages of the west took place.

Mont Saint-Michel became **a symbol of National French Resistance** during the Hundred Years' War in the 14th and 15th centuries, when 101 French knights victoriously defended Mont Saint-Michel against 25,000 English soldiers.

Nature

The Mont Saint-Michel

The biggest tides in the world!

Mont Saint-Michel is located in the heart of a huge bay where **the largest tides in the world** take place.

The sea approaches at the speed of a galloping horse!

Ecology

The Mont Saint-Michel

The largest ecological project in the world!

The 450 million Euros invested in this ecological and cultural project, **inaugurated by the President of France**, make Mont Saint-Michel more beautiful than ever, and a place that can't be missed.

As the renowned poet **Victor Hugo** once wrote:

"Mont Saint-Michel is to the sea what the Cheops Pyramid is to the desert."
